

Mediacom Group — Corporate Profile

Mediacom Group is a privately held diversified business conglomerate with a legacy spanning over five decades and a strong footprint across Pakistan. Over the years, the Group has evolved into a multi-sector powerhouse with solid financial strength, a robust asset base, and a proven track record of executing and scaling high-value projects.

Our strategic leadership, investment capability and forward-looking approach enable us to build and operate sustainable ventures in **Communications, Media, Technology, Real Estate, Hospitality, Petroleum, Agriculture, Livestock and allied sectors**, with expansion plans underway across multiple new verticals.

We pride ourselves on our regional dominance in **Fiber & Media infrastructure, large-scale commercial real estate**, and **emerging technology ventures**, positioning us among the most influential business groups in the Faisalabad region.

Business Verticals

1. Mediacom CATV (Pvt.) Ltd.

Largest Cable TV Network in Faisalabad since 2002

- Serving 500,000+ customers, among the highest regional market penetrations in Pakistan.
- Fully underground G.652 fiber-optic network, also utilized by corporate clients.
- Skilled NOC & technical teams ensuring rapid fault resolution.
- Providing TV advertising solutions to national and multinational brands.

2. Mediacom Trade City

Flagship commercial real estate development (since 2004)

- 350,000 sq.ft. multi-storey commercial and corporate complex.
- Located in Faisalabad's most premium area – Kohinoor Town.
- Home to leading national & international brands.
- Executive offices, serviced apartments & secured underground parking.

3. Mediacom Avenue

Premium Residential Development on Canal Road, Faisalabad (Since 2007)

- A signature gated residential project designed around luxury, security and lifestyle comfort.
- Situated off Canal Road – one of the most prestigious corridors of the city, offering high land value and long-term appreciation.
- Developed with modern planning standards, wide roads, premium plots and landscaped aesthetics.
- Surrounded by high-end communities and elite neighbourhoods, ensuring premium buyer profile and demand stability.
- A landmark asset in the Group's real estate portfolio, contributing significantly to equity, brand value and future expansion capacity.

4. MCSOL (Pvt.) Ltd.

Faisalabad's Largest ISP Network

- FTTH-based internet, phone & television services.
- Partnered with Tier-1 upstream providers for backbone capacity.
- Scalable network enabling gigabit expansion into new districts.
- 35,000+ FTTH home customers and rapidly growing.
- Strategic & exclusive partnerships with Tier-1 operators including Transworld and CMPak-Zong.

5. Sindhu Agriculture & Livestock Farms

Large-Scale Agriculture Estate Near CPEC Corridor

- A vast and fertile agricultural estate strategically located near the Faisalabad–Islamabad Motorway (CPEC route), ensuring excellent access for logistics, supply chain and distribution.
- Primary focus on high-yield crop cultivation, seasonal farming, innovative irrigation methods, and sustainable agricultural practices aimed at improving productivity and soil health.
- Producing grains, fodder and diverse agricultural outputs with emphasis on quality, sustainability and commercial-scale plantation.

6. Sindhu Petroleum

Fuel & Energy Retail Network

- Modern petrol station catering to local and industrial traffic.
- Strategically located near Pakistan's largest industrial zone (FEDMIC).
- Serving both commuters and industrial fuel requirements.

7. C8 Central – Luxury Apartments

Premium Residential Tower at Faisalabad's Most Exclusive Address

- Contemporary architecture with state-of-the-art construction standards.
- Luxury interiors with high-class finishing, modern fixtures and refined aesthetics.
- Designed for upscale living — ideal for executives, families and investors.
- Ready-to-move-in apartments with efficient layout and natural lighting.
- High rental value and long-term appreciation, making it a strong investment asset.

8. McWELL Pharma

Pharmaceutical Manufacturing Facility (Under Construction)

- A modern Nutra & Pharmaceutical manufacturing plant under development.
- Strategically located on Sargodha Road Bypass, near Motorway Interchange and Faisalabad Small Industrial Estate.
- Pre-approved by DRAP, ensuring smooth regulatory path to operations.
- Built to house advanced production lines for nutraceutical and pharma products.
- Expected to commence production by June 2026.
- Designed to serve both national and export markets, with high scalability potential.
